

## **Montague Museum**

The Montague Museum is staffed entirely by volunteer efforts. At the yearly meeting in May, community members bring calendars and schedule their volunteer time for one or two days each summer. The shifts are only on Saturday or Sunday afternoons from 1-5 pm Memorial Weekend through Labor Day, so it's not a huge commitment. The duties of volunteers are simple: open the building, hang the flag, turn on the electricity, and greet visitors who drop in, then close the building and return the key to its usual spot at the end of the day. Please consider attending the yearly meeting (year on May 28, 2015 at 7 pm at the Masonic Lodge on the corner of Dowling and Whitbeck) to learn more about the wonderful group that helps welcome visitors to our common history. For more about the museum, go to the City of Montague website and under Parks and Amenities for the Montague Museum <http://www.cityofmontague.org/museum.html> OR go to the Museum's site <http://www.montaguemuseum.org/>.

## **Keeping your membership current:**

In 2014 the Board voted to remove from the mailing list any former member who had not paid dues for the past two years. Of course, lifetime members will continue to receive their newsletter mailing. But if you have been paying year by year, you should check the note on the mailing label of this newsletter to see whether you are paid up or not. (And please be sure we have your current address, phone number, and email address. Thanks to the great computer skills of Tom Lohman, Membership Board Member, we have been able to send out email information that goes beyond what you receive in your yearly newsletter.)
