President's message: Greetings to all WLAHS folks! Another season will soon be upon us, and I trust you will all be rewarded with another exciting series of programs.

Last year was a great year, with record attendance. As we say thank you for all your participation, at all levels, we encourage you to invite a friend or family member to our programs.

I especially invite and encourage you to consider volunteering. Board of director positions are time-limited, so we will be looking for replacements. New people always bring new ideas. Volunteers, memberships and your ideas will strengthen the WLAHS and also our community.

I would also like to mention last fall's loss of Norm Ullman. Yes, he will be missed! His service to the community and the WLAHS will always be appreciated.

Take a good look at the newsletter, mark your calendars for the upcoming season, see you there!

RON ARNOUITS/President
