

NOW YOU SEE IT . . . and be quick, because at 65 miles an hour he won't be around long. In the foreground above is Jack Gilbert, Muskegon, piloting M-55 around the corner near the old Goodrich dock, heading toward Montague beach. This is one of the alcohol-fueled racers to compete on White Lake July 9, as a curtain-raiser to Montague Centennial events. In the background is Al Reeths of Grand Haven, driving a gas-powered outboard.
